2 – ACADEMIC INFORMATION

2.1. STUDENT SOLID REQUIREMENTS

Fort Benton High School operates on an 8-period schedule. FBHS students are required to take 7 of those periods as a solid. A solid is defined as any class, including a Title or Resource Room Study Skills, that is under teacher supervision but not including study hall. Discretion of the Principal is allowed under some circumstances.

Seniors who satisfy the Honor Pass Expectations and Criteria may apply for an honor pass. See "Honor Pass Criteria, below.

2-2. STUDENT SCHEDULE CHANGES

We understand that the courses taken by a student will have a dramatic effect on the future opportunities available to that student. The following policy is designed to insure that course changes are made for sound educational purposes only.

- 1) The student academic plan shall be a major focus of registration. The principal and counselor have the right to deny or approve any schedule change request keeping in mind what is in the best interest of both the student and school system.
- 2) A student may not drop or add a class without the permission of the parent, the counselor, the administrator and both teachers involved in the transfer.
- 3) In general, students will not be allowed to move from a small class to a larger one.
- 4) A student may not drop a class after the first three days of a new semester. Students who drop a class, even with parental request after this deadline, will receive a drop grade of "F" on both the report card and transcript unless extenuating circumstances have been determined and approved by the counselor and principal.

2-3. ACADEMIC LETTER

The academic letter is designed to give recognition to those students at Fort Benton High School for excellence in academics. These awards will be given at an assembly, as near to the beginning of each school year as logistically possible. All currently enrolled, full-time students meeting the criteria are eligible to receive the academic letter.

Once a high school student has been awarded an academic letter and continues to maintain both active enrollment status and the required cumulative average, subsequent awards will consist of a bar to be affixed to the original academic letter.

Criteria for Academic Letter:

The following GPA averages need to be achieved at the completion of the school year:

Freshman	Sophomore	Junior	Senior
3.80 cumulative average	3.70 cumulative average	3.60 cumulative average	3.50 cumulative average

2-4. Online Classes

Fort Benton is dedicated to providing a diverse education while maintaining our Longhorn academic identity and integrity. Students are therefore encouraged to take as many online classes as possible, under the following guidelines:

1. Students requesting online courses must be a Junior or Senior
 - a. Foreign language is an exception. All High School students may enroll in an online foreign language.
2. In order to receive credit, classes must be taken from an OPI approved program (see Appendix)
3. Classes taken outside of an OPI approved program will be received as a general elective and not specific to the content area.
4. To ensure graduation requirements are met, online classes must be approved by the guidance counselor.

5. If the class is offered at FBHS, students may not take its equivalence online, unless extenuating circumstances allow. In such cases, an application for approval must be obtained from the office and approval must be obtained from both the principal and school counselor.
6. Although the grading periods might differ slightly, all grades will be updated and new records mailed at the time they are received.
7. Although eligibility still applies to online classes, because the instructor is not physically present, various circumstances allow for short grace periods of eligibility. These situations are rare and are dealt with on a case-by-case basis. During such times, administration will communicate clearly with parents and students.
8. Upon registration for online classes, students must declare if class will be taken for Dual Credit (high school AND college) or college credit only.
9. The District will not be obligated to pay for a student's distance learning courses unless otherwise specified in Policy 2170.

2-5a. GRADING PROCEDURES

The grading system at Fort Benton Middle School/ High School will reflect the student's actual performance in all facets of learning. The following grading system will be used:

90% - 100% = A	70% - 79.5% = C	
80% - 89.5% = B	60% - 69.5% = D	Below 60% = F

- The grades represent the average grade for the Quarter or Semester.
- To insure consistency, averages will be calculated and then rounded to the nearest whole number. (.50 rounds up, .49 rounds down)
- A grade of "I" (incomplete) will be recorded when class work is not completed to the satisfaction of the teacher. If class work is not made up within a two-week period after the last day of the grading period and recorded by the Principal, the grade of "I" will convert to a grade of "F". The Principal may approve any extenuating circumstances after appeal. If the incomplete is a result of excused absences then the students will have two (2) days to make up the work for each day missed as stated in Student Handbook 5-7.

2-5b. Honors Classes

Students enrolled in high-level classes (Honors, Dual Credit, AP), will be graded on a 5.0 scale, rather than a 4.0 scale, for those classes alone. Upon registration for online courses, students must declare if class will be taken for dual credit (high school AND college) or college credit only.

2-6. PROGRESS REPORTS

Progress reports will be mailed in the middle of each quarter for all students.

3 – GRADUATION CEREMONIES

3-1. VALEDICTORIAN / SALUTATORIAN REQUIREMENTS

Each year those students ranked #1 and #2 will be recognized as Valedictorian and Salutatorian. Grade point averages will be determined on 8 semesters with 8th semester grades due no less than five (5) days before graduation. The Valedictorian and Salutatorian are invited to speak at graduation in addition to one class speaker selected by the Senior Class. In the event of co-Valedictorians, no Salutatorian will be recognized.

3-2. HONOR GRADUATES

Students graduating with a cumulative 3.25 GPA will be recognized during the graduation ceremony by wearing an honor cord.

3-3. CLASS SPEAKERS AT HIGH SCHOOL GRADUATION EXERCISES

It is the intent of the administration to give freedom to the senior class to select their own speakers for high school graduation. It should be the right of the graduating class to select speakers they believe will represent their class in the most positive manner. However, the following deadlines have been established to insure the senior class is on task to find such speakers:

A. SENIOR CLASS SPEAKER(S)

- 1) A draft of all student speeches will be submitted to the Principal and Senior Class Advisors at least-one week prior to graduation.
- 2) Final approval and suggestions will be given to the senior speaker by the Principal and Senior Class Advisor no later than the Wednesday before graduation.

The selected senior class speaker should feel honored and be able to present themselves as a young, up and coming adult that appreciates what education is all about. This is the message Fort Benton High School will convey. The senior class speaker must present a speech that is in the best interest of the student body, faculty, staff, and administration, board of trustees, parents, and community. If the above deadlines are not met by the senior class concerning senior speaker, only the Valedictorian and Salutatorian will speak in behalf of the class.

B. COMMENCEMENT SPEAKER

- A Commencement speaker must be selected by the senior class by April 1st. Keep in mind this person must make arrangements well in advance to speak at high school graduation. If no Commencement speaker is chosen by this deadline, the Principal will make arrangements for a Commencement speaker.

3-4. COMMENCEMENT VIDEO / Walk-Up Songs

- 1) The senior video is not to exceed 12 minutes.
- 2) The final draft, with music, must be made available to the principal 10 days prior to graduation for approval.
- 3) If the senior class decides to use their own musical selections for walk-up songs, songs must be presented to the principal, with full lyrics, to principal no later than 14 days prior to graduation for approval. All musical selections must be school appropriate and the principal has the right to deny any song.

3-5. PRE-GRADUATION ANNUAL SENIOR TRIP

Senior Trip Day is held sometime during the 4th Quarter by the Senior Class. The place for the trip is decided on by the class and approved by the senior class sponsors and Principal no later than March 1st. All seniors attending Trip Day must ride the school bus to and from the trip. There will be no exceptions to this rule. Some type of recreation for the day must be planned as well as enough food to last the entire day. Senior Trip Day is a privilege, so treat it as such so future senior classes may also enjoy a similar outing.

Senior Trip General Guidelines

The following rules govern Senior Trip Day:

- 1) The sponsor and/or principal has the responsibility and the right to refuse any student permission to participate.
- 2) Any violation of school policy, including alcohol, tobacco, and drugs, will be sufficient cause for immediate termination of the Senior Trip Day.
- 3) Only seniors eligible for graduation will participate in Senior Trip Day.
- 4) Senior Trip Day is not an excuse for students to break the law or destroy public property.

Violation of school rules, including drugs, alcohol, tobacco, or theft on Senior Trip Day will result in the following:

- Parent will be contacted.
- Students involved with the possession of prohibited items listed above will be turned over to local authorities.
- It will be the parent's total responsibility to provide transportation back to Fort Benton.
- Disciplinary action taken in accordance with the discipline policy explained in this Handbook.

The trustees may, however, authorize the school administration to modify the requirement for the expulsion of a student on a case-by-case basis. In appropriate circumstances, the trustees may permanently expel a student under this policy.

Any person who alleges sexual harassment by any staff member or student in the District may use the District's principal, guidance counselor, or any other individual appropriate to receive such complaints. Filing of a complaint or otherwise reporting sexual harassment will not reflect upon the individual's status nor will it affect future employment, grades or work assignments. The right to confidentiality, both of the complainant and of the accused, will be respected consistent with the District's legal obligations, and with the necessity to investigate allegations of misconduct and take corrective action when this conduct has occurred.

Upon the receipt of a complaint, the Title IX officer for the District will investigate the matter. At the end of the investigation a decision will be rendered concerning the severity of the offense/complaint. A substantiated charge against a staff member in the District shall subject such staff member to disciplinary

action, including discharge. A substantiated charge against a student in the School District shall subject that student to disciplinary action including suspension and/or expulsion.

4-3. GENERAL HARASSMENT / INTIMIDATION

All forms of intimidation and harassment detract from the learning environment.

A teacher or administrator has the authority to take disciplinary action against any student guilty of using violence, force, noise, coercion, threats, intimidation, fear, or other comparable conduct toward anyone or urging other students to engage in such conduct. Any form of hazing that falls under these definitions is also prohibited.

Disciplinary action will follow under the guidelines contained under the discipline grid in section 7-13 and school board policy.

4-4. DRUG/ALCOHOL PREVENTION PROGRAM

Drug-Free Schools and Communities Act of 1989 (P.L. 101-226)

The use/possession of illicit drugs and the unlawful possession and use of alcohol is both harmful to the mind and body, along with being illegal.

All students will participate in a drug/alcohol prevention program that is age-appropriate and developmentally based, which addresses the legal, social, and health consequences of drug and alcohol use and which will provide information about effective techniques for resisting peer pressure concerning illicit drugs or alcohol. The drug/alcohol prevention program will be a part of the health, family & consumer science, and/or science curriculum of the Fort Benton Public Schools.

Student standards of conduct and disciplinary sanctions for those students who abuse alcohol/drugs are outlined in the student handbook. Student handbooks are provided to both parents and students at District's expense. Compliance with student standards of conduct, as outlined in the student handbook, is mandatory as defined in the Drug-Free Schools and Communities Act Amendments of 1989 (P.L. 101-226).

The school guidance counselor will provide students with help and/or will provide a referral source/person who is capable of providing the necessary help to the student/parent.

A biennial review will be conducted to determine the program's effectiveness and changes will be implemented if needed. In addition, the review will ensure that disciplinary sanctions are consistently enforced.

4-5. STUDENT SUSPENSION

The Board of Trustees recognizes that the power of suspension, in a district of this size, should rest with the principals of the respective schools; but would emphasize that proper communication between all parties involved is essential in the handling of all disciplinary problems.

The Administration/Trustees recognize that observance of due process entails two basic considerations:

- 1) The gravity of the offense a student is alleged to have committed.
- 2) The severity of the contemplated penalty.

When a student's misconduct is serious enough to consider suspension or long-term suspension, the student shall be afforded the following minimum due process procedures:

- The student shall be given oral notice of the charges against the student.
- The evidence against the student shall be explained to the student.
- The student shall be given an opportunity to present the student's own version of the facts concerning the charges.
- The parent or guardian shall be contacted by the administrator. Section 504 of ADA, supersedes Building/Board policy.

Long-term suspension: a suspension that is less than one calendar year in length.

Short-term suspension: a suspension that is ten (10) school days in length or less.

4-6. OUT-OF-SCHOOL SUSPENSION GUIDELINES

Attendance: The student may NOT attend classes or extra-curricular practices, be present on school property, or attend school-sponsored events during the OSS period.

Make-Up Work: While on suspension, the student will be given all of his/her assignments by telephone or other means. While the student is out of school, he/she must satisfactorily complete all assignments to be handed in on the day of return. Otherwise, the student will be placed in an in-school suspension (ISS) status until the required assignments are completed.

Credit may be granted for make-up work in the event the student turns in the work within the time set by the teacher.

Administrative Responsibility: The administration has the authority to suspend a student for a period of up to 10 school days. Suspended students will not be permitted to return to school until the parent or guardian has been contacted about the incident.

4-7. STUDENT EXPULSION

The Board of Trustees recognizes that expulsion of a student may be in the best interest of the student as well as the remaining student body. Expulsion shall be a disciplinary action available only to the trustees. When a student's misconduct is serious enough to consider expulsion from school on a long-term basis, the student shall be afforded the following minimum due process procedures:

- The student shall be given written notice of the charges against the student.
- The evidence against the student shall be explained to the student.
- The student shall be given an opportunity to present the student's own version of the facts concerning the charges.
- The parent or guardian shall be contacted by the administrator and a conference will be held to discuss the alleged violation and the consequences of the misconduct.
- The student and parent will be given written notification of the expulsion hearing before the Board of Trustees and information concerning their right to be represented by legal counsel at the expulsion hearing. Section 504 of ADA, supersedes Building/Board policy.

The duration of expulsion will be determined by the Board of Trustees on an individual basis. A minimum expulsion can range in duration from the remainder of the school year to one calendar year exclusion from the Fort Benton School District. A maximum expulsion will involve permanent expulsion from the Fort Benton School District.

4-8. STUDENT GRIEVANCES

A student shall be given an opportunity to contest any alleged facts leading to disciplinary action, the appropriateness of the sanction imposed by a disciplinary authority, or alleged prejudice or unfairness on the part of the school district official responsible for the disciplinary action.

The grievance procedure is as follows:

Level One: A student with a grievance shall present a written grievance to the principal within five (5) working days of when the student knew of the basis for the grievance. The principal shall make a decision known to the student in writing within five (5) school days of receipt of the written grievance. If the grievance is not resolved at Level One, the grievance may proceed to Level Two.

Level Two: Within five (5) school days of receipt of the principal's written decision, the student may appeal the grievance to the superintendent. The superintendent shall meet the student within five (5) school days of receipt of the written grievance. The superintendent shall render a written decision regarding the grievance within five (5) school days of meeting with the student. If the grievance is not resolved at Level Two, the grievance may proceed to Level Three.

Level Three: Within five (5) school days of receipt of the superintendent's written decision, the student may appeal the grievance to the School Board. The School Board shall meet with interested parties within five (5) school days. The School Board shall render a written decision within five (5) school days.

The purpose of this grievance procedure is to provide students with a means of securing solutions to problems resulting from disciplinary or other actions or apparent misunderstandings. Nothing contained

herein shall be construed as limiting the right of any student having a grievance to discuss the matter informally with appropriate staff members and administration.

4-9. ENROLLMENT AND REGISTRATION

We welcome new students to Fort Benton Middle School/High School. We hope you will enjoy your education here. The counselors, teachers, principal and staff stand ready to assist you in any way. Enrollment and registration is contingent upon the status of the student as described in Board Policy. Please note that students will not be allowed to enroll in Fort Benton High School until the end of the semester unless they are transferring in from an accredited school.

4-10. ADMISSION OF IN-DISTRICT STUDENTS

The Board of Trustees of Fort Benton Public Schools recognizes the educational needs of its resident students including the need for an orderly educational process, free from disruption, overcrowding, and any kind of violence or disruptive influences. In-district students applying for admission that have been excluded from other public or non-public educational agencies may pose a considerable disruption to the educational process already established in the Fort Benton Public School system. The Fort Benton Public Schools may deny admission to an in-district student who has been excluded from another educational agency and/or has exhibited behaviors in the past twelve (12) months that may be grounds for exclusion of any student already enrolled in the Fort Benton Public School system. If the administration believes that the denial of admission of an in-district student is appropriate under these circumstances, a recommendation will be made to the school board that the individual student not be admitted as a student in the Fort Benton Public School system. The student and his/her parents will be notified of the recommendation, and the hearing before the Board of Trustees will be handled under the same procedure that the school district would provide to a currently enrolled student who has been recommended for expulsion.

4-11. ADMISSION OF OUT-OF-DISTRICT STUDENTS

The Board of Trustees of Fort Benton Public Schools recognizes the educational needs of its resident students including the need for an orderly educational process, free from disruption, overcrowding, and any kind of violence or disruptive influences, hereby establishes criteria on the admission of out-of-district students. Any student living within the boundaries of either the elementary or the high school district is not an out-of-district student.

- 1) Admission to Fort Benton Public Schools as an out-of-district student is a privilege, not a right granted by law. As such, the Fort Benton District will screen all out-of-district students and accept those who meet the criteria set forth in this policy. Those students who are accepted may attend tuition free.
- 2) When a parent or guardian of a child wishes to have his or her child attend the Fort Benton Public Schools as an out-of-district student, he or she shall apply to the school district before July 1, of the school fiscal year for which he or she seeks approval, unless the student can establish compelling reasons for mid-year transfer and the Superintendent and/or Trustees believe that a mid-year admission is in the best interests of the student and Fort Benton Schools.
- 3) The district will not admit out-of-district students when doing so would require the hiring of additional staff, the provision of educational services not currently provided in the school, or overcrowding of existing classes.
- 4) The district superintendent is given the authority to admit or deny students admission in accordance with this policy. Students who are denied admission by the superintendent may appeal to the Board of Trustees within thirty (30) calendar days of notice of denial. The Board shall make the final decision on the admission.
- 5) Out-of-district students must meet the following admission criteria:
 - a. Be in good standing with the most recently attended school in terms of academics, conduct, and attendance.
 - b. Be able to demonstrate a record free of truancy.
 - c. Be able to demonstrate a clean behavior record in the school last attended for a period of at least one (1) year.

- d. Have no criminal record.
 - e. Have passing grades in the school previously attended, i.e., "C" average or better.
 - f. Have correctly completed the application process.
 - g. Present no other educationally-related detriment to the students in Fort Benton Public Schools.
 - h. Students who have been expelled from another school district or who have committed acts while enrolled in another school district, which would have resulted in expulsion if committed while enrolled in the Fort Benton School District, may be denied admission to the district at the discretion of the trustees for a time period consistent with the term of any expulsion permitted by board policy.
- 6) The district has the option of accepting an out-of-district student who does not meet the criteria set forth herein if the student agrees to special conditions of admission as set forth by the district.

4-12. ADMISSION OF NINETEEN (19) YEAR-OLD STUDENTS

This policy addresses students who have turned 19 years of age on or before September 10th of the school year they wish to enroll. Because no state funding is provided for the above-described students, enrollment into the Fort Benton School system becomes a privilege and not a right granted by law. As a result, admittance into Fort Benton High School will be left to the discretion of the Board of Trustees.

4-13. STUDENT RECORDS - POLICIES AND PROCEDURES

The Family Educational Rights and Privacy Act (FERPA) affords parents certain rights with respect to their minor children's educational records. They are:

- 1) The right to inspect and review the student's educational records.
- 2) The right to request the amendment of the student's education records to ensure that they are not inaccurate, misleading, or otherwise in violation of the student's privacy or other rights.

- 3) Notarized guardianship papers, if the student is not living with a parent.
- 4) Required Emergency Medical Consent form completed.

4-15. POLICY CONCERNING 18-YEAR-OLD STUDENTS

The fact that a student is 18 years old does not affect the authority of the school board, administration, and teachers to make reasonable rules and regulations. Students still must follow proper procedures concerning school policy. Students who are 18 years old and are absent from school must still have their parent call or write a note with the reason for absence. This includes students who are not living at home with their parents. The only exception to this rule is if the parent has signed over legal guardianship to the student through proper legal procedures and provided documentation to the school administration.

4-16. SEARCH OF PROPERTY ON SCHOOL GROUNDS

Desks, lockers, and other equipment at any school belong to the District. Any school property may be entered and searched by school officials whenever there is a reasonable belief that some substance or material contained it is illegal, harmful to the safety of the student or the student body, or significantly disruptive or dangerous to the overall discipline of the school. In addition, student's property such as luggage, knapsacks, handbags, automobiles, cell phones, or other electronic devices, may be accessed and searched by school officials to ensure that there is no substance or material contained there that is illegal,

harmful to the safety of students or significantly disruptive to the educational process or the overall discipline of the school.

4-17. SEARCH OF A STUDENT ON SCHOOL GROUNDS

The school administration has the right to conduct the search of a student's person when an administrator has reason to believe that the student is in possession of weapons, stolen goods, drugs or drug paraphernalia, alcoholic beverages, tobacco products, or other items harmful to the health and safety of students and staff on school property. An appropriate law enforcement officer may be called to conduct the search if the administration believes that there is a need for support. Should items, which are illegal or contrary to Administration policy be found, the Administration's discipline process will be followed.

4-18. STUDENT USE OF PERSONAL TECHNOLOGY/Cell Phone Policy

Personal technology includes but is not limited to: cell phones, music players, tablets, smart watches, and digital cameras.

Personal technology can be an effective resource in education when used appropriately. At the same time, personal technology is a privilege not afforded equally to each student. It is our goal that Fort Benton students be engaged with their coursework, activities, and other students. This goal requires appropriate use and restrictions of personal technology.

All personal technology must remain off or in silent mode (not vibrate or flash mode) during class time. With instructor approval, students may use personal technology as a resource for coursework.

Personal cell phone use is permitted during lunch and passing periods only. Walking and texting/gaming is prohibited.

Personal technology use in the locker rooms or bathrooms or that violates personal privacy is strictly prohibited.

Headphones and Ear Buds

To ensure safety and promote engagement, students are prohibited from use of headphones or earbuds. This includes wearing headphones around the neck or over the shoulder. With instructor approval, students may use headphones when working independently and seated.

Personal technology policies include extra-curricular, co-curricular, and school-related transportation.

(See policy 2160)

The Fort Benton School District is committed to the goal of providing quality education for all children in our district. To help insure this goal, we will establish and maintain partnerships with parents and the community. Everyone gains when the school and home work together to promote high achievement by our children. Parental support for their children and for the school is critical to our mutual success. To promote this partnership in the Title I Program, contact will be made with parents each fall by letter or by telephone. Conferences may be scheduled in order to discuss the child's participation in Title I. The classroom teacher, parent, and Title I teacher will attend these meetings. Parent/Teacher/Pupil Compacts will be discussed and signed at this time. These compacts will be placed in the student's file.

The student's parent(s)/guardian(s) may:

Student Health/Physical Screenings/Examinations

The Board may arrange each year for health services to be provided to all students. Such services may include but not be limited to:

1. Development of procedures at each building for isolation and temporary care of students who become ill during the school day;
2. Consulting services of a qualified specialist for staff, students, and parents;
3. Vision and hearing screening;
4. Scoliosis screening;
5. Immunization as provided by the Department of Public Health and Human Services.

Parents/guardians will receive written notice of any screening result which indicates a condition that might interfere or tend to interfere with a student's progress.

In general the District will not conduct physical examination of a student without parental consent to do so or by court order, unless the health or safety of the students or others is in question. Further, parents will be notified of the specific or approximate dates during the school year when screening administered by the District is conducted as well as notification of requirements of the District's policy on physical examinations and screening of students, at least annually at the beginning of the school year and within a reasonable period of time after any substantive change in the policy, which is:

1. Required as a condition of attendance;
2. Administered by the school and schedules by the school in advance;
3. Not necessary to protect the immediate health and safety of the student or other students.

Parents or eligible students will be given the opportunity to opt out of the above-described screenings. Students who wish to participate in certain extracurricular activities may be required to submit to a physical examination to verify their ability to participate in the activity. Students participating in activities governed by the Montana High School Association will be required to follow the rules of that organization, as well as other applicable District policies, rules, and regulations.

4-22. McKinney-Vento Homeless Assistance Act:

(See Policy 3125 and 3125F)

Education of Homeless Children

Every child of a homeless individual and every homeless child are entitled to equal access to the same free, appropriate public education as provided to children with permanent housing. The District must assign and admit a child who is homeless to a District school regardless of residence and irrespective of whether the homeless child is able to produce records normally required for enrollment. The District may not require an out-of-district attendance agreement and tuition for a homeless child.

Should a child become homeless over the course of the school year, the child must be able to remain at the school of origin, or be eligible to attend another school in the district.

The Superintendent will review and revise as necessary rules or procedures that may be barriers to enrollment of homeless children and youths. In reviewing and revising such procedures, the Superintendent will consider issues of transportation, immunization, residence, birth certificates, school records, and other documentation.

Homeless students will have access to services comparable to those offered to other students, including but not limited to:

1. Transportation services;
2. Educational services for which a student meets eligibility criteria (e.g., Title 1);
3. Educational programs for children with disabilities and limited English proficiency;
4. Programs in vocational and technical education;
5. Programs for gifted and talented students; and
6. School nutrition program.

The Superintendent will give special attention to ensuring the enrollment and attendance of homeless children and youths not currently attending school. The Superintendent will appoint a liaison for homeless children. A "homeless individual" is defined as provided in the McKinney Homeless Assistance Act.

Anyone having a concern or complaint regarding placement or education of a homeless child will first present it orally and informally to the District homeless liaison. To further ensure that the District is removing barriers to the educational access and success of children and youths who are homeless, and to ensure that Title 1 funding is expended in an appropriate manner, the District has adopted the dispute resolution form at 3125F.

The District's homeless liaison is the Guidance Counselors and can be reached by telephone at 406-622-5112.

The development of the school wellness policy, at a minimum, will include:

1. Community involvement, including input from teachers of physical education and school health professionals, parents, students, school food service, the school Board, school administrators, educators, and the public. Training of this team of people on the components of a healthy school nutrition environment is recommended.

3. Implementation, Periodic Assessment, and Public Updates, including expanding the purpose of the team of collaborators beyond the development of a local wellness policy to also include the implementation of the local wellness policy with periodic review and updates, inform and update

the public every three years, at a minimum, (including parents, students, and others in the community) about the content and implementation of the local wellness policies, and to measure periodically and make available to the public an assessment of the local wellness policy, including:

- The extent to which schools are in compliance with the local wellness policy;
 - The extent to which the LEA's local wellness policy compares to model local school wellness policies; and
 - The progress made in attaining the goals of the local wellness policy.
4. Nutrition guidelines for all foods available on each school campus under the local education agency during the school day, with the objectives of promoting student health and nutrient-rich meals and snacks. This includes food and beverages sold in a la carte sales, vending machines, and student stores; and food and beverages used for classroom rewards and fundraising efforts.
 5. Guidelines for reimbursable school meals to ensure that the District offers school meal programs with menus meeting the meal patterns and nutrition standards established by the U.S. Department of Agriculture.

Suggested guidelines for developing the wellness policy are included in Policy 2510- R.

5 – STUDENT ATTENDANCE

5-1. ATTENDANCE POLICY RULES AND REGULATIONS

In order to graduate from Fort Benton High School, a student must complete twenty-three (23) credits. Completion of a course will be defined as sixty percent (60%) mastery of the material and attendance to include not more than twelve (12) absences per semester. This attendance criteria is based on the theory that prompt and regular attendance in school is the beginning of dependability in adult business, personal, and social life. Furthermore, regular attendance is important, because valuable skills and information gained in the classroom may or may not show up on tests or be reflected in an academic grade. The general welfare of all students is best served by regular attendance.

- 1) A student will be allowed twelve (12) absences per class, per semester. Any absence beyond that number may mean a loss of credit in those subjects missed.
- 2) **Exempt absences** are the ONLY absences that WILL NOT be used in calculating the attendance record. **Exempt absences** are:
 - a. Those that occur due to school-sponsored activities, since these are considered an equivalent educational experience. These exceptions will apply to students participating in sports events, cheerleading, music related events, industrial arts trips, academic field trips, and others deemed co-curricular.
 - b. Bereavement in the immediate family (grandmother, grandfather, father, mother, legal guardian, sister, brother). Any extended bereavement may be reviewed by the principal.
 - c. Subpoenas to appear in court, or court-ordered, out-of-district placements for special services.
 - d. Medical or dental appointments, including date and time, verified by doctor's note. This note must be submitted to the office within three school days of the appointment.
 - e. Illness or hospitalization verified by a doctor's statement.
 - f. The three (3) higher education days per year granted to seniors to visit colleges.
- 3) Absences which will be counted in the twelve (12)-day limit include, but are not limited to, such areas as: family trips, work days, vacations, visiting friends or relatives, watching tournaments when not an actual participant, hair, medical, dental, or photography appointments, skiing, hunting, court appearances, attending concerts, or shopping.
- 4) After six (6) absences from school/class, a letter will be sent to the student's home, indicating the school policy and number of days missed.

- 5) After nine (9) absences, another letter will be sent, indicating the severity of the situation and explaining in detail the alternatives for non-compliance.
- 6) After going over the twelfth absence, credit will be withheld, unless the principal determines that extraordinary extenuating circumstances exist.
- 7) A student may appeal loss of credit to the Superintendent. If not satisfied with the decision of the superintendent, the student may appeal to the Board of Trustees. If the appeal is rejected, one can assume the Board of Trustees feels the absence could have been avoided.
- 8) If the appeal is not granted, the student will remain in that particular class period for the remainder of the semester or be placed in study hall. If disciplinary problems occur in that subject, the student will be suspended from school. A student may be withdrawn from school if the credited class load falls below four (4) classes.
- 9) If the appeal is granted, the student will return to class with the administration's stipulations. If the stipulations are violated, a loss of credit will result.
- 10) The administration may also decide to make decisions regarding the student's participation in extracurricular activities.

5-2. MEDICAL AND DENTAL APPOINTMENTS

Parents are strongly encouraged to make medical and dental appointments for students either after school hours or on those days when school is not in session. If doctor or dental appointments must be made during school hours, the student must report to the office prior to leaving school. The school reserves the right to call any physician to verify any appointment. If making appointments out of town, please make every effort to schedule the appointment either in the morning or the afternoon so students can attend a partial day of school. Appointments in Fort Benton will excuse students from the class period concurrent with their appointment. Appointments in Great Falls will excuse a student for no more than four (4) class periods.

A student who has a chronic illness or a serious medical condition may qualify for an exemption if he/she submits a statement signed by a physician, or other health care provider licensed in the State of Montana. When exemptions are granted for medical reasons, the principal or designee may establish conditions for completion of the class(es).

5-3. ABSENCE VERIFICATION PROCEDURES

Students who are absent from school must have their parents do one of the following:

- 1) Call the school attendance office or bring a note the day prior to the absence (if known) to verify the absence and state the possible return to school. Feel free to leave a voice mail message if calling prior to office hours.
- 2) Call the school attendance office the day of the absence to verify the absence and state the possible return to school.

NOTE: All absences must be verified by the parent/guardian by 3:30 p.m. the day of return to school following the absence. Failure to verify absences by this time will result in the assignment of disciplinary action. The absence will be considered **truancy**. The Principal will declare an absence excused, avoidable, unexcused, or truant. Parents and teachers provide information but do not determine the type of absence.

5-4. ABSENCES RECOGNIZED BY THE SCHOOL

All absences fall within one of the three (3) categories below:

Exempt Absence: Any exempt absence is any absence that is not counted toward the twelve (12) allowable absences each semester (as listed in section 5.1.2).

Excused Absence: Any absence verified and approved by the student's parent or guardian.

Unexcused Absence: Truancy or any other absence not approved by the student's parent or guardian.

Though the school recognizes the following absences, only those absences listed in section 5.1.2 are **exempt absences** and will not count toward the twelve (12) absence limit.

- 1) **MEDICAL ABSENCE:** will be documented when a student misses school for a medical appointment. Make-up work will be allowed.
- 2) **ILLNESS ABSENCE:** will be documented when a student misses school because of illness. Make-up work will be allowed.
- 3) **AVOIDABLE ABSENCE:** will be documented when a student misses school for reasons other than Medical, Illness, Other, Funeral, or Pre-Arranged. This absence is approved by the parent and the administration and is considered "excused." Make-up work is at the discretion of each individual classroom teacher.
- 4) **UNEXCUSED ABSENCE:** will be documented when a student misses school for reasons that are unacceptable to the school. Some examples are sleeping in, returning late from lunch, and missing school directly after an extra-curricular activity for reasons other than illness, and excessive absences, which interfere with the education of the student. No make-up work is allowed. All classes missed during the unexcused absence will result in "0" for all work assigned.
- 5) **TRUANCY ABSENCE:** will be documented when a student misses school without the prior knowledge and approval of the parent or administration. Any student who is involved in an excessive number of unexcused absences can be declared truant by the administration. No make-up work is allowed. All classes missed during the truancy will result in "0" for all work assigned.

NOTE: Truancy that exceeds three times in a school year will result in suspension. The Principal may assign in-school suspension as an alternative consequence.

- 6) **FUNERAL ABSENCE:** will be documented when a student misses school because of a funeral of an immediate family member. Make-up work will be allowed.
- 7) **OTHER ABSENCE:** will be documented when a student misses school because of legal quarantine or emergency conditions as determined by the Principal. Make-up work will be allowed.
- 8) **PRE-ARRANGED ABSENCE:** will be documented when a student plans on missing two (2) or more days. After the office is notified by a parent, the student is responsible to fill out a Pre-Arranged Absence Form prior to departure from school and the form must be approved first by all classroom teachers and finally by the Principal.
- 9) **HIGHER EDUCATION ABSENCE:** will be documented when a student misses school to visit a college, university, vocational school, or military organization of their choice. The student must return to school with a signed statement from the institution visited. Students are allowed three (3) school days per year for High Education Absences. Make-up work should be completed prior to departure.
- 10) **ACTIVITY ABSENCE:** will be documented when a student misses school for the purpose of school sponsored extra and/or co-curricular activities. This absence will include Band/Choir; Field Trips; Academic Contests; and Sporting events. It is the responsibility of the student to check with each teacher for make-up work. Make-up work should be completed prior to departure.
- 11) **COUNSELOR ABSENCE:** will be documented when a student misses school when involved in either individual or group counseling with the school counselor or principal. Make-up work will be allowed.

5-5. SCHOOL ACTIVITY RELATED ABSENCES FROM SCHOOL

School related activity absences are designed to enrich student learning, provide opportunities for participation in curriculum related activities and assist students in reaching educational goals. During such activities, students represent Fort Benton High School and will act accordingly. Students will follow school rules and the directions of the teachers, coaches, and/or chaperones.

It will be the responsibility of the student to make up all work missed due to school activity related absences. Arrangements for make-up work must be completed in accordance with school-wide make-up procedures. Teachers have full authority to remove any student from attending a school-sponsored activity if the teacher believes the student cannot afford to miss school academically.

5-6. PROCEDURES FOR LEAVING SCHOOL GROUNDS DURING SCHOOL TIME

If it becomes necessary for a student to leave school, they must check out through the office with parental permission before leaving the school grounds. It is important that the Principal knows when a student leaves school grounds because of legal requirements. Students who leave at lunch and do not come back to school must bring a note to the office by 8:30 a.m. the next school day. Students are not to check out to run errands for individual teachers. Only student office aides will be allowed to run errands with the permission of the Principal. Any subsequent offenses may result in in-school suspension.

5-7. POLICY AND PROCEDURES CONCERNING MAKE-UP WORK FOR ABSENCES

Regular school attendance is an important part of a student's school experience. The make-up procedures are based on the premise that class time is of prime importance. After an absence, certain responsibilities exist.

ABSENCES IN WHICH MAKE-UP WORK IS ALLOWED

- 1) The student shall contact the teacher the following day after an absence to make arrangements to make up the work missed. Students have two (2) days to make up the work for each day missed.
- 2) If a long-term assignment is due on the day a student returns from a short absence (1 or 2 days), the assignment is due as scheduled unless the student has made prior arrangements with the teacher.
- 3) If a scheduled exam falls on the day a student returns from a short absence (1 or 2 days), and the material was presented while the student was present, the student will be expected to take the exam as scheduled, unless the student has made prior arrangements with the teacher.
- 4) If a student fails to meet the agreed schedule, the work will be graded accordingly.

5-8. PARENTAL REQUESTS FOR ASSIGNMENTS

When students are absent for a period of time, parents are encouraged to call the office and request missing homework. We would ask parents to give the office 24-hour notice to accumulate these assignments so that they can be picked up at the office the following day.

6 – STUDENT CONDUCT & PROCEDURES

6-1. STUDENT SELF-DISCIPLINE

Each student should assume responsibilities by showing proper respect for fellow students and school personnel and by disciplining himself/herself to abide by school regulations concerning classroom, library, and hallway behavior.

Students are responsible for their own conduct at all times, regardless of other student(s) involvement. No student may create an intimidating, hostile, or offensive educational environment for another student. This will assist in developing a school atmosphere that is conducive to study and learning, and also help make our school and community meet its priority goals.

It is the intent of the Principal to support teachers in the area of classroom behavior and student discipline. The school's approach to discipline is based on the belief that students must be responsible for all of their actions while in attendance at school.

6-2. STUDENT CONDUCT CODE

Conduct to and from school: The safety and welfare of students from the time they leave home until they return from school is of concern to the school. Circumstances that happen on the way to and from school may warrant school involvement and action if student conduct is detrimental to the welfare of the student, other students and/or the school. 9 – EXTRACURRICULAR AND CO-CURRICULAR POLICIES

9-1 POLICY DEFINED

- Improper behavior, including during the event, may result in loss of participation in school activities. This includes involvement with juvenile authorities and general misconduct as outlined by the student handbook both within and outside the school environment. Proper behavior, including proper sportsmanship, while in competition representing the well-being and reputation of Fort Benton Middle School/ High School is expected and required if students are to take part in extra-curricular activities. Courtesy and respect will be demanded from participants and sponsors at all times. When a problem arises, it should be handled on a one-to-one basis in the privacy of the sponsor's office. Disrespect for individuals, either participants or sponsors will not be tolerated.
- Students participating in FBHS extra and co-curricular activities shall not (1) use, have in possession, sell or distribute alcohol, or illegal drugs, and (2) abuse prescription or non-prescription drugs. This policy is not intended to apply to the use of prescription drugs, under a doctor's supervision, when those drugs are used in the prescribed manner. Possession is defined as the use of a prohibited substance, having a substance in personal possession, or knowingly (as defined as a reasonable prudent person would know) being present at a function or gathering at which a prohibited substance is illegally used. Students who find themselves in that situation must demonstrate that they made every effort to immediately disassociate themselves from the location and the individuals involved.

The scope of extra-curricular and co-curricular activity includes:

- 1) All athletic teams sponsored by the Montana High School Association.
- 2) All extra-curricular activities sponsored by the MHSA and all co-curricular offered at Fort Benton High School.
- 3) All students involved in a leadership capacity as outlined in the definitions of this policy.
- 4) Eligibility for Homecoming or Prom Royalty

9-2. POLICY DURATION

- This policy is in effect for ONE FULL CALENDAR YEAR from the date of the signed ***LONGHORN CODE OF CONDUCT CONTRACT***.
- If the student does not complete the abuse educational program prior to the end of the defined season for that activity, the suspension continues until its completion.
- Violations are cumulative through the student's period of attendance in middle school or high school. Violations do not carry over from the middle school to high school

9-3. LONGHORN CODE OF CONDUCT CONTRACT

Vision Statement

We promote the physical, emotional, and mental well-being of all students through participation in extracurricular activities, while educating student-athletes in the areas of self-improvement, leadership, and teamwork.

FORT BENTON HIGH SCHOOL **LONGHORN** CODE OF CONDUCT CONTRACT

The Longhorn Code of Conduct is a commitment to represent self, school, family and community in the most positive manner possible. Participation in extracurricular activities is not only a privilege but is an outward extension of our school and community. The Longhorn Code of Conduct is in effect for the entire calendar year and all subsequent high school years to include, but not limited to, school-sponsored events.

Section One: Attendance

A student must be in school (not absent in any class) for the entire day of the extra-curricular activity or practice to be eligible to participate. Communication between athletes and their coaches is paramount to a successful experience. If the student attends a school-related activity, a scheduled medical appointment, or a family-related event that they have communicated such with their coaches, then that student is still eligible to play or practice that day. If a scheduled extra-curricular event is on Saturday or any day that school is not held, the student must have been in attendance all the previous school day, as explained above, or they are not eligible to participate. In the event that a student attends a morning practice then has an unexcused absence from any class that day, he/she will not be allowed to participate in the next day's event in that sport.

Section Two: Behavior and Conduct:

Students who participate in extracurricular activities serve as ambassadors of the school district and community throughout the calendar year, whether away from or at school. Participation in these activities is a privilege, and the student-athlete agrees to not participate in, nor be associated with, activities that are unlawful, or are connected with acts that bring disrespect to the individual, school or community.

Hazing: Hazing is strictly prohibited. Hazing is unsafe, and can discourage participation, as well as negatively affect a student's enjoyment in extracurricular activities. All forms of hazing are strictly prohibited. "Hazing," means committing an act against a student, or coercing a student into committing an act, that creates a substantial risk of harm to a person, in order for the student to be initiated into or affiliated with a student organization, or for any other purpose. Hazing can take on many forms and a complete description of types of hazing is defined in the Fort Benton Schools Board Policy. Students who organize or initiate hazing activities, but do not directly participate in them, are equally subject to possible discipline as students who participate in acts of hazing. Students are expected to report suspected violations of this rule, and may be disciplined for failure to report known hazing violations or for falsely denying knowledge of known hazing activities.

Students should develop respectful and involved attitudes in school, and any pattern of negative or inappropriate behavior should be expected to result in consequences. Any student found to be involved in disrespectful behavior can expect consequences as listed below.

- Loss of a percentage of the current season or equivalent time of next season participation
- Coaches Plan of Action for restitution, ownership of actions, and reinstatement

Section Three: Alcohol and Drug Policy:

A primary focus of Fort Benton High School is the development of a drug free lifestyle for our students. In keeping with that objective, the undersigned student agrees to not possess, use, distribute, or sell alcohol, drugs, designer drugs, illegal muscle/performance substances, tobacco or tobacco look-alike products, including electronic devices that deliver illegal substances, at any time. In addition, students are not to misuse or abuse prescription drugs. Possession is defined as the use of the prohibited substance, having the substance in personal possession, or knowingly being present at a function or gathering at which the prohibited substance is illegally used. If a student-athlete is attending a gathering and alcohol or drugs are present or appear, the student-athlete must leave immediately. Any student found to be in violation of the Alcohol and Drug Policy within or out of the season will be subjected to the following consequences:

- **First Violation: (self-reported)** Suspended from all Fort Benton High School activities for 15% of the total contests. If violation occurs with less than 15% of contests remaining the suspension runs into next season of participation the student is involved in. Athlete will practice with the team during the suspension but will not travel or sit with the team for games.
- **First Violation: (Truth be told)** Suspended from all Fort Benton High School activities for 25% of the total contests. If violation occurs with less than 25% of contests remaining the suspension runs into next season of participation the student is involved in. Athlete will practice with the team during the suspension but will not travel or sit with the team for games.
- **First Violation:** Suspension from all extra and co-curricular activities for the current sports season. A meeting with student, parents, coach/sponsor and school administrator and school chemical counselor*.
- **Second Violation:** Recommendation to the Board for suspension from all extra and co-curricular activities for 12 calendar months beginning the date the student is notified of suspension. A

meeting with student, parents, coach/sponsor and school administrator and school chemical counselor.

Student must obtain a professional drug/alcohol evaluation and follow recommendations. Student must notify principal of plans and present documentation upon completion.

- **Third Violation:** Recommendation to the Board for full suspension from all extra and co-curricular activities for the remainder of the student's high school career. Referral for professional help.

*The financial obligation of this counseling is completely the responsibility of the individual student. Under no circumstances will Fort Benton School District #1 participate in the cost of such program.

Honesty and Integrity Clause: The Longhorn Code of Conduct encourages accountability and character maturation, therefore a student-athlete may have the consequences for a violation reduced based on their honesty, integrity, and cooperation during the investigation and subsequent disciplinary action. Reduction in disciplinary action and/or consequences will be based on the coach's recommendation AND administrator approval.

Examples of such behavior are as follows:

- Immediate ownership of behavior, participation, and/or association
- Compliance to disciplinary action
- Positive attitude and behavior in practice, in contests, and in the classroom

****Please see page 57 for signature and agreement page****

9-4. HIGH SCHOOL ACADEMIC ELIGIBILITY RULES

I. MONTANA HIGH SCHOOL ASSOCIATION REQUIREMENTS:

A. Students participating in any extracurricular or co-curricular activity under the jurisdiction of the Montana High School Association will adhere to the following regulations:

This includes:

- 1) All athletic teams sponsored by the Montana High School Association.
- 2) all extracurricular and co-curricular activities that are sponsored by the Montana High School Association including Speech & Drama, District Music Festival and State Solo & Ensemble, Cheerleaders, and Pep Band.

B. ARTICLE II, Section (3) - Academic Eligibility: To be eligible to participate in an Association Contest, a student must have a passing grade in at least twenty (20) periods of prepared work per week or its equivalent during the last preceding semester in which he/she was attendance. If a student is assigned an "incomplete" or a "condition" on a subject, he/she has not received a passing grade in this subject. The record at the end of the semester is final and scholastic deficiencies may not be "made up" in any way.

C. INTERPRETATION:

- 1) A school's previous grading period is interpreted as a semester.
- 2) Schools may be more stringent in their policies.
- 3) Twenty (20) hours of prepared work means four subjects that grant one unit of credit each, for the full school year, or their equivalent, e.g. three classes carrying one unit of credit for the school year and two classes carrying one-half unit of credit for the school year would meet this requirement.
- 4) Schools having an attendance policy that issue a letter grade that indicates a student was passing, but did not receive credit, would not count toward the twenty (20) hours. Credit must be received.

II. FORT BENTON MIDDLE SCHOOL / HIGH SCHOOL REQUIREMENTS:

9-5.

GRADES 7-8 ACADEMIC ELIGIBILITY

Grades will be monitored every Tuesday at 8:00a.m. Eligibility will be determined every other Tuesday at 8:00a.m. The Tuesday eligibility date will not begin until after the second Tuesday of each quarter. All Tuesday eligibility dates are denoted on the school calendar.

Students are responsible for submitting late or missing work **PRIOR to MONDAY at 3:30pm** in order for it to be **CONSIDERED** for eligibility purposes.

If a student has an F in any of his/her classes on a Tuesday eligibility date, he/she will be ineligible from that point until the next Tuesday in which all grades are passing.

Students can only become ineligible on the designated eligibility Tuesday. Students can become eligible on any Tuesday, provided they are passing all of their classes.

AT THE END OF EACH QUARTER: STUDENTS MUST BE ENROLLED IN A MINIMUM OF SIX (6) CREDITED CLASSES PER QUARTER. NY STUDENT THAT RECEIVES ONE OR MORE FAILING GRADES OR HAS A GPA BELOW 2.0 THE PREVIOUS QUARTER IS INELIGIBLE TO PARTICIPATE UNTIL MIDTERM OF THE NEXT QUARTER WHEN GRADES AND/OR GPA WILL BE REEXAMINED.

8th Graders: 4th Quarter grades will determine Eligibility for Quarter One of your freshman year.

GRADES 9-12 ACADEMIC ELIGIBILITY

STUDENTS MUST HAVE A 2.00 GRADE POINT AVERAGE FOR THE PRECEDING QUARTER TO BE ELIGIBLE. THEY MUST BE ENROLLED IN A MINIMUM OF SIX (6) CREDITED CLASSES PER QUARTER. ANY STUDENT THAT RECEIVES TWO (2) FAILING GRADES THE PREVIOUS QUARTER IS INELIGIBLE TO PARTICIPATE IN THE NEXT QUARTER.

Incoming Freshmen ONLY: If you are below a 2.0 GPA and/or have one or more F's for 4th quarter of your 8th grade year, you will only be ineligible until mid-term of the 1st quarter. After that, eligibility will be determined the same for all high school students.

If a student meets the minimum GPA requirement but earns at least one F for a quarter he/she will be ineligible until the midterm of the following quarter. At mid-term, if the student has a passing grade in the subject in which he/she earned the F, and all other classes, they become eligible. If the student is still failing that class at midterm, they will remain ineligible until the end of the quarter.

If a student is not retaking the class in which he/she received the F, he/she will automatically become eligible at midterm, provided that he/she is passing all other classes.

Official midterm grades can and will determine if a student is eligible or not.

This student policy is supplementary to the Montana High School Association rules. If a student fails four solid classes for a semester, he/she will be ineligible for the following semester as stipulated by the MHSA handbook.

This administrative procedure is in effect for the current school year. Procedurally, the process will be retroactive to include any failing grades from fourth quarter or second semester of the previous school year. Students failing in either grading period would be ineligible until the midterm eligibility check.

Ineligible students will be allowed to practice.

Ineligible students will not be allowed to travel with the team until eligible.

Ineligible students will not be allowed to compete at any level until eligible.

9-6. Dual Sport Participation

Fort Benton High School seeks to provide quality extra- or co-curricular athletic opportunities for its students. Some students have talents and abilities which they have a desire to contribute to more than one team in a particular athletic season, and both of these teams can benefit. Some activities may struggle with low numbers, and this can boost participation in those sports.

STUDENTS PARTICIPATING IN TWO ACTIVITIES DURING THE SAME SEASON

1. Students are allowed to participate in two extra- or co-curricular sports activities during the same season. Students wishing to participate in two sports during the same season will need to obtain a request form from the athletic director and follow the guidelines set down by the athletic department involving dual sport participation.
2. Students are not allowed to participate in "open gyms" as well as other non-school competition in another sport, on the same day they are participating in a school-sponsored extra- or co-curricular sports activity without permission from the head coach of the sport in which they are currently participating and the building principal.

RULES OF DUAL-SPORT PARTICIPATION

1. A student who wishes to participate in two sports during the same season must designate a primary sport before the beginning of the first appointed date of practice set by MHSA for the season of participation.
2. A primary sport is defined as the sport which takes precedence over another sport in the event there is a conflict of schedule or any other matter that could lead to a conflict. The student must adhere to the primary sport in the event of any and all conflicts of schedule. If one sport has a contest and the other has practice, the contest will take precedence.
3. The student must practice in both sports, but the amount of practice time must meet the agreed requirements of the head coaches of those sports involved.
4. Approval may be denied because of academic concerns at any time during the sport season. The athlete then will participate in the primary sport only.
5. The student and parents or legal guardians, must sign a contract of dual-sport participation before the first practice session he or she attends.
6. In the event that a student is disciplined for any infraction of the student handbook in a specific sport, the consequence will also be applied to the second sport in the season of dual participation. That suspension is to be served for both the primary sport and non-priority sport.
7. In the case of a conference meet or state sponsored event conflicting with a regular season contest, the conference meet or state event has priority.
8. Student/athlete agrees not to switch the priority sport during the course of the season. If one sport becomes a better situation for the team or for the athlete personally, they will still adhere to their decision as stated in #1 above.
9. Should a disagreement ensue between coaches over an athlete's participation, the two head coaches will meet before the athletic director who will serve as mediator and his decision, if necessary, will be binding.
10. If the athlete earns a letter in both sports, he/she will be awarded a letter in each.
11. The High School Athletic Director and the High School Principal will serve in the capacity of advisors and final judgments on matters concerning dual-sports participation.

9-7. DETERMINATION OF GUILT

- A student's guilt in violating this policy will be determined through a formal investigation by school administration. Information will be gathered via student interviews and possibly the official reports from city, county, and/or state law enforcement agencies.
- Because it is necessary that an investigation be completed in a timely manner, student interviews may be conducted without first contacting the parents. If a student refuses to speak to school officials without their parent or guardian present, an attempt will be made to contact the parent. If the parent is unavailable or unable to meet with administration within a reasonable amount of time, the administration will proceed with the interview. A student's refusal to answer questions will be considered insubordination. State law does not require the administration to have parent permission to question a student for a violation of school policy. (Montana Code: 20:5:201) The school does need to contact parents when law enforcement needs to question a student in regards to their involvement in a criminal action.
- Once a student's guilt has been determined, parents will be contacted and a conference will take place to present the evidence against the student. At this time, the student, parents and/or guardians shall be notified of the type of discipline that will be administered and of the student's due process rights.

Self-Reporting Option:

Self-report is defined by a student reporting his or her violation BEFORE they are confronted by their coach or administration.

If a student chooses to self-report a violation of the drug, alcohol, or conduct unbecoming, that student will receive a 15% of the total contests suspension.

- Students are expected to continue practicing with the activity during the suspension, but are not allowed to travel with a team or sit on the bench at games.
- Self-reporting does not negate the decision-making authority delegated to the head coach of any athletic program as outlined in the Coaches Handbook.
- Athletes are ineligible to letter in the sport for that season.

- The sanction for policy restrictions regarding prom, homecoming candidacies, school leadership positions, and other academic activities will only be in effect if participation in those events would occur within the "event week" time frame.

NOTE: Choosing to self-report is an opportunity for a student to take responsibility for their actions. As the offenses are cumulative for a student's high school career, the percentage of suspended days will increase with each suspendable action.

The administration will contact parents by phone to inform them that their child has self-reported a violation. If a student has not been questioned by an administrator, but two school days have passed since the event occurs, the student will no longer be eligible to take advantage of the self-reporting option.

Truth Be Told Option:

Truth Be Told is defined as a student being fully and completely truthful upon confrontation by a staff member, coach, or administrator.

If a student chooses to be truthful about their violation of the drug, alcohol policy or conduct unbecoming, that student will receive a 25% of the total contests suspension.

- Students are expected to continue practicing with the activity during the suspension, but are not allowed to travel with a team, or sit on the bench at games.
- Self-reporting does not negate the decision-making authority delegated to the head coach of any athletic program as outlined in the Coaches Handbook.
- Athletes are ineligible to letter in the sport for that season.
- The sanction for policy restrictions regarding prom, homecoming candidacies, school leadership positions, and other academic activities will only be in effect if participation in those events would occur within the "event week" time frame.

Administration, under board review and approval, have the ability to adjust the above consequences for any individual, as deemed necessary for the student and the situation.

All extra and co-curricular policy violations will be sanctioned in the manner outlined in the Longhorn Code of Conduct Contract, Student Handbook, and School District Board Policy.

9-8. STUDENT AND PARENT DUE PROCESS

If determination is made that a student has violated this policy, the student, parents and/or guardians shall be notified of the violation by telephone and also by mail. Also at this time, the student, parents and/or guardians shall be notified of the type of discipline that will be administered. In the case that a student disagrees with the administrator's decision, they can follow the student grievance procedure. (For information on student grievance procedure see Section 4-8 in this handbook.)

9-9. DEFINITIONS REGARDING EXTRA/CO-CURRICULAR POLICY

The winter sports season will end with the conclusion of any post-season competitions. Students who violate rules and procedures when traveling will be disciplined and the following steps will be taken:

- 2) Students involved with possession of the items listed above will be turned over to local authorities, if applicable.
- 3) It will be the parent's total responsibility to provide transportation back to Fort Benton, if applicable.
- 4) Disciplinary action taken on the part of the school according to the discipline policy explained in this Handbook.
- 5) The student will not travel on any school district activities for a period of eight (8) weeks.

9-11 PEP BAND REQUIREMENTS

Members of the Fort Benton High School Band will be required to participate in all pep band activities. Pep band performances will be considered as a required performance within the nine-week grading period. Students who are unable to participate in assigned required performances for whatever reason will need to inform the director of their absence. Failure to do so, either in advance of the performance or following the performance/next school day, (in the case of emergencies, e.g. sickness or that the student did not know in advance that they would be unable to attend the performance) will result in a grade of 0% for that performance. Students will receive full credit for the performance by either being in attendance and performing or by informing the director of the absence. Students participating on a team or as a cheerleader will be considered in attendance and receive full credit.

Students on extracurricular suspension and/or academic eligibility will NOT be allowed to participate in pep band performances during the time of their suspension. To make up the points lost from not performing with the pep band, a student on extracurricular suspension and/or academic eligibility will receive 50% credit for the performance and will have the opportunity to make up the remaining 50% by submitting a practice tape of one-half hour of practice time for each pep band activity missed.

When the pep band travels to tournaments, only the students who are planning on attending all of the games that the band would be performing for through the entire tournament will be excused from school

to travel with the band. An example would be: if the band is excused from school on a Thursday or Friday to travel to tournament, only those students who are committing themselves to be there the entire tournament (as long as FBHS is still in competition) would be allowed activity leave from school to go to the tournament. Tournament games will not be a required performance. Only students with a 100% average for required performances for the nine-week grading period will be eligible to travel with the pep band to tournaments.

9-12 MISCELLANEOUS INFORMATION
