Longhorns Love to Learn!

Philosophy: FORT BENTON ELEMENTARY SCHOOL

The District believes that all young people should be given the opportunity to develop the skills necessary for a basic education, regardless of family background, handicap, social-economic status, race, or gender. Fort Benton Schools strive to promote a foundation that will enhance lifelong learning. The District is committed to the recognition of individual differences among students and to serve the social, emotional, physical, and academic needs of the young people enrolled in our schools.

The school, along with the family, share responsibility in the total development of the child. As we prepare our students for the future, we will help them to become responsible citizens in our society in a changing world. We also stress the importance of Longhorn pride and encourage our student's behavior to reflect positively on the Longhorn Nation.

LEGAL AGES FOR CHILDREN TO ENTER SCHOOL

Starting age for Kindergarten is five years old on or before September 10th. Exceptions to this age limit must be granted special permission by the Board of Trustees.

Starting age for first grade is six on or before September 10th. (State Code: section 20-5-101). A birth certificate will be kept on file in the student's cumulative folder.

IMMUNIZATIONS

State law requires that, before any student is admitted and enrolled in a public school, she/he must have evidence of successful vaccinations.

SCHOOL ARRIVAL AND DISMISSAL

Students should arrive at school **no earlier than 7:45 a.m.** Classes begin at 8:10 a.m. unless a teacher has suggested an earlier time for an individual student. School will be dismissed at 3:15 p.m., Monday through Thursday. Fridays are early release days, all students will be dismissed at 2:30 p.m. and buses will run at 2:30 p.m.

Students are to report home immediately after being released from school. They should check in with their parents so their whereabouts are known. Children may return to school to play on the playground equipment after they check with their parents. PLEASE understand that there is no supervision on the playground before 7:45 a.m. and after the buses have departed for the day. Children are to go home after school and not play unsupervised on playground equipment.

RECESS

Weather permitting, students are given up to three recesses a day (Gr. K-4). Decisions to have outside recess during cold weather depend upon the temperature and the wind chill factor. Shorter outside recess times are scheduled on the very cold days. **Students should always dress for outside recess.** Students will have supervised free time in the classroom on days when bad weather prevents outside recess.

CONFERENCES AND VISITS

If you wish to have a conference with a teacher during the year, call the elementary office or contact the teacher to make arrangements. The best times to visit with a teacher are from 7:50-8:10 a.m., and from 3:15 p.m.- 4:00 p.m. (except on Friday). It is usually best to wait a month after school begins before visiting the classroom for the first time to allow children the opportunity to adjust to their new environment.

PARENT VISITATIONS

The Fort Benton staff welcomes you to visit your school at any time. We feel this is an important way of developing a good understanding of the school program. Please sign in at the office prior to visiting the classroom. This is done to protect children from unauthorized visitors and to help you locate your student if they are not in the classroom at that time. Please do not send children who are not officially enrolled in school to visit or for parties. We cannot be liable for children who are not enrolled.

REPORT OF PUPIL PROGRESS

Two parent-teacher conferences will be held this year for the purpose of developing a deeper understanding between the parents and teacher. Teachers will make parent contacts throughout the school year. Parents are urged to confer with teachers any time in the interest of promoting the welfare of their children. Report cards are issued for each Trimester. Progress reports are also issued at the Trimester mid-term.

SCHOOL SUPPLIES

Each teacher will furnish his/her students with a list of supplies needed for the year. The school supplies list can also be found on the school web page.

HOMEWORK

Students should expect that homework will be assigned at various levels. Please make it a point to involve yourself with your child's work. This practice will give you a better idea of what your child is working on in school.

MAKE-UP WORK

Students are allowed two (2) days to make up work following an absence. Teachers can allow more time if needed.

CANCELLATION OF SCHOOL

Cancellation of school takes place only during circumstances such as extreme weather, equipment failure, or public crisis. School is not canceled unless a significant safety risk has been created by unusual circumstances. Every practical means is used to notify parents of a cancellation.

TESTING

The Montana State Assessment (SBAC Smarter Balanced Assessment Consortium) is administered in March or April for grades 3-6. Other periodic testing is performed by the District and individual classes.

PROMOTION AND RETENTION

Promotions and retention are based on an evaluation of academic, physical, social and emotional growth. Parents can assume their child will be promoted unless the alternative of retention has been discussed during the school year. Parents will be involved with any retention decision.

RESOURCE ROOM, TITLE I AND SPEECH PROGRAMS

If a student has a particular need, parents will receive information and permission obtained regarding a more formal evaluation process. Parents of students who qualify for special programs will be notified and will have an active part in team meetings and conferences to determine their child's best educational program.

RESPONSE TO INSTRUCTION (RtI)

Fort Benton elementary is an RtI school and works hard to utilize data-based decision making to differentiate the instruction and best meet the needs of each individual student. If you have a question regarding your student and the RtI process please call and visit with your child's classroom teacher.

SUBSTITUTE TEACHERS

Every student will more than likely be taught by a substitute teacher, and students are expected to treat these teachers courteously. Substitute teachers are needed when the regular teacher is ill, attending professional training, or in case of a family emergency.

ACTIVITY TRIPS

All students transported for any school activity, regardless of the numbers of students being transported, must be transported on MONTANA HIGHWAY PATROL APPROVED SCHOOL BUSES, or Activity Buses owned and maintained by the school district. Only in a special case or circumstance may this policy be waived by the District Transportation Supervisor.

FIELD TRIPS

Class field trips provide learning experiences for all students involved. Longhorn behavior and cooperation are expected of all students. Parents will be notified in advance regarding field trips, and will be asked to give their permission for their child's participation.

SCHOOL PICTURES

Pictures of your children will be taken early in the school year. Parents will be notified in advance, and purchase of the pictures is optional. Pictures must be paid for on the day the pictures are taken; checks

should be made out to the photographer. Classroom pictures will be taken in the spring and will be available for parents to purchase.

VOLUNTEERS

School and classroom volunteers are encouraged. Parent involvement is important and is a good way for parents, grandparents, or any interested adult to become a part of the Fort Benton Schools educational program.

SCHOOL TELEPHONES

School telephones are primarily business phones and should be considered as such. Your children will be permitted to use the phone only when it is necessary. The use of cell phones during the school day is not permitted by students. If a cell phone is brought to school by a student, it must be turned into the office until after school. No iPods or similar devices are allowed on school property during school hours.

INSTRUMENTAL MUSIC

Beginning band instruction is provided for all fifth and sixth grade pupils who are interested. The school has a few instruments which are available but most students are required to furnish their own. Instruments for sale or rent are available in Great Falls at various music vendors. Before buying an instrument, check with the band instructor.

The instrument is the student's responsibility. The school does not provide insurance to cover damage to your personal instrument. A yearly rental fee of \$50.00 will be charged to students who use school-owned instruments.

FIRE DRILLS

Instruction on fire drills is given regularly, and fire drills are held without notice up to eight times a year. Exits, signals, routine, etc. are clearly stated and practiced.

CARE OF ROOMS

All students are expected to assume responsibility for assistance in keeping their classrooms tidy and clean.

VISITORS

Visitors are welcome and are expected to sign in at the office upon entering the school. When visiting a classroom, prior arrangements must be made with the classroom teacher at least one day prior to the visit. We reserve the right to limit visits if they become a distraction to the learning environment. Exceptions will be determined by the building principal. Unauthorized visitors may be considered trespassers and subject to law enforcement intervention.

CHILDREN LEAVING SCHOOL DURING THE DAY

If it becomes necessary for your child to leave school during the day, please send a note, or call, the office stating the reason for leaving and the time for dismissal. Students should be met by the parent at the school office and will be checked out of school at that time.

Students are not allowed to leave the school campus during school hours for any reason without the knowledge and consent of their teacher. Permission to leave the school grounds will only be granted upon written or verbal request from the student's parent or guardian.

CHILDREN WITH DOGS AND CATS

Please leave your pets at home. If it is necessary local police officers will be called in order to remove animals from school grounds. Pets for show and tell must be approved by the teacher and the building principal.

FAMILY NIGHT

The following policy has been established:

Family night is Monday night of each week.

We will attempt to reduce homework assignments on this night.

Elementary activities will not normally be scheduled on this night.

LOST AND FOUND

Lost articles turned in to the school are kept in the hallway near the office. Students can check with the school secretary for lost articles.

ASBESTOS MANAGEMENT PLAN

An Asbestos report has been completed and is in care of the school maintenance director.

NEWSLETTER

An Elementary School newsletter containing items of interest to students and parents will be distributed the first part of each month. It will include information about school programs and activities and a monthly school lunch menu. Classroom and individual notices and reminders will be sent home periodically as needed.

CLOTHING

Children should wear suitable clothing for all seasons for playing outside daily. During inclement weather, students may be inside, but they still need proper clothing. All articles of outdoor clothing and P.E. shoes should be marked with the child's name. No Healy roller shoes or skates on school grounds or in the building. Dress (walking) shorts will be allowed. The length of the shorts must be approximately mid-thigh. Sleeveless shirts will be allowed, but not tank tops. Teachers and administration will determine what is appropriate for school. The student will be required to take his/her own medication while in school; school personnel may assist the student by reminding what time to take the medication. **ALL MEDICINES MUST BE STORED IN THE SCHOOL OFFICE.**
3. Parents of the child must assume responsibility for informing the school of any change in the child's health or change in medication.

THE SCHOOL-HOME PARTNERSHIP

For Parents:

Cooperation between the school and home sets the stage for good conduct of our school children. Parents, by their teaching and example, can help to develop in their children an attitude of respect for the school, for the teachers and principal, and for other children. To help children develop good behavior habits, it is recommended that parents: Instill in children a respect for authority, for the rights of adults and of other children, and for private and public property. Know their children's friends. Know where children are when they are away from home. Teach children to obey their teacher and other persons in authority.

Support actions of the teacher or principal in talking with their children about a problem; confer privately with the teacher or principal if an action is taken and is not understood or if there is a question regarding its appropriateness. Confer personally with the teacher or principal when requested. Insist that children be prompt and regular in school attendance. Carry out recommendations made by the school in the best interest of the child. Talk with children about school activities; take an active interest in the child's progress in school and attend Parent-Teacher Conferences.

For Students:

Students attend school so that they may develop their individual capacities to their fullest and become, for their own benefit and that of others, the best person that is possible. It is recommended that students:

- Accept responsibility for their actions.
- Be Ready to Learn.
- Do your best work.
- Participate in as many opportunities as possible.
- Be Respectful
- Dress appropriately and practice good personal hygiene
- Comply with rules and regulations established by the school

STUDENT DISCIPLINE EXPECTATIONS

Fort Benton Elementary approach to discipline is based on the belief that students must be responsible for their actions while in attendance at school. Classroom teachers in the elementary school establish a discipline plan that includes positive awards for good behavior and negative consequences for breaking rules (usually staying after school or loss of recess time). Each room has their own rules.

An example of some basic rules will include:

- Be Respectful.
- Be Responsible.
- Be Ready to Learn

Students are also subject to playground rules designed for the safety and cooperation of all in mind. These rules are communicated to students and enforced by all duty teachers.

Montana law states, "Any pupil shall be subject to the control and authority of the teachers, principal, and district superintendent while he is in school, on school premises, on his way to and from school, or during an intermission or recess." (Montana Code: 20-5-201

RULES OF RESPECT

In order to provide an acceptable quality of education, the school staff expects that all students will show appropriate cooperation and respect toward faculty, substitute teachers, staff members, and other students. The list of rules on the following pages is important to the school, but it is NOT a list of every possible action that violates the rights of others. Any act that disrupts school activity or causes danger to people or destruction to property will have consequences.

TEACHER'S ROLE IN DISCIPLINE

The teacher has the primary responsibility and authority over student behavior.

Teachers have the authority to:

- a. remove a student temporarily from the classroom
- c. deny certain classroom privileges or assign detention
- d. use reasonable measures as may be necessary to maintain classroom control

PRINCIPAL'S ROLE IN DISCIPLINE

Teachers may refer students to the principal who has responsibility and authority to use reasonable measures to maintain control. The principal will establish and implement rules and regulations regarding student conduct.

The principal has the responsibility for the maintenance of a record of serious or chronic behavior problems. Enforcement of School District policies and school building rules with respect to student conduct is the joint responsibility of the school personnel and the principal. The principal has the authority to impose suspension (in or out of school) to students for failure to comply with school regulations and, if it should become necessary, to recommend to the Superintendent of Schools expulsion for students.

TYPES OF CONSEQUENCES - SCHOOL DISCIPLINE

2. **Written Assignment:** Written assignments are to include letters of apology, description of incident, and/or alternative behavioral response.
3. **Detention:** The student will receive recess and/or after school detention as determined by administration. An explanatory phone call will be made or a note sent home. Detention time may include some work opportunities.
4. **Parental Contact:** Parents will be contacted by phone or letter to relate problem behavior and the solution.
5. **Saturday School:** The student may be assigned Saturday school by the administration.
6. **Suspension:** The student will receive suspension when deemed necessary by the principal.

Forms to be completed are available in the administrative offices. The procedure is outlined in Board Policy.

Students or athletes traveling on extra-curricular buses must give their phone to their coach or sponsor prior to getting on the bus. Use of phones after students have completed their athletic participation will be at the discretion of the coach.

Consequences for violation of the policy:

1st violation: One day of ISS (in-school-suspension) and confiscation of phone until disbursement to parent or guardian at the end of the school day.

2nd violation: Two 4-hour sessions of Saturday school and confiscation of phone for ten calendar days.

3rd violation: Two days OSS (out-of-school suspension) and confiscation of phone for remainder of school year.

Student possession and use of **handheld electronic games, and personal stereos** and other electronic signaling devices on school grounds, at school-sponsored activities, and while under the supervision and control of school district employees is not permitted. These devices must be turned into the elementary office at the beginning of the day and picked up after school. Unauthorized use of such devices disrupts the instructional program and detracts from the learning environment. Therefore, unauthorized use is grounds for confiscation of the device by school staff. Confiscated devices will be returned to the parent or guardian. Repeated unauthorized use of such devices will result in disciplinary action.

WEAPONS/GUN-FREE SCHOOLS

It is the policy of the Fort Benton School District No. 1, Chouteau County, Montana to provide a safe and secure environment for all students. Accordingly, any student who is determined to have brought a weapon on to school district property or to a school-sponsored event shall be expelled from school for a period of not less than one year, under the conditions set forth below.

Any alleged violation of this policy shall be immediately reported to the Superintendent. If, after investigation, the Superintendent has reason to believe this policy has been violated, she/he shall recommend to the Board of Trustees that the student be expelled. If the Board of Trustees determines that the policy has in fact been violated, they shall expel the student for a minimum period of not less than one year. The trustees may, however, authorize the school administration to modify the requirement for expulsion of a student on a case-by-case basis. In appropriate circumstances, the Trustees may permanently expel a student under this policy.

In accordance with S.S. 20-4-302, 20-4-402, 20-4-403, and 20-5-202 (1) a principal or the Superintendent may immediately suspend for good cause a student who is determined to have brought a weapon on to school property or to a school-sponsored event.

Any decision to change the placement of a student with a disability who may be subject to expulsion under this policy must be made in accordance with the Individuals with Disabilities Education Act, 20 U.S.C. S. 1400 et seq.

This policy SHALL NOT APPLY to weapons brought on to school property with the express permission of the school administration, such as for weapons safety courses, authorized demonstrations, hunter safety courses, or under other circumstances deemed permissible by the school administration.

For the purposes of this policy, a weapon shall be defined as follows:

(A) any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive; (B) the frame or receiver of any such weapon; (C) any firearm muffler or firearm silencer; (D) any destructive device; or (E) any instrument, article, or substance that, regardless of its primary function, is readily capable of being used to produce death or serious bodily injury; (F) any instrument, article, or substance that regardless of its primary function, closely resembles an actual weapon, or is used with the intention of giving the impression that it is real.

The Fort Benton School District shall report any violations of this policy to the local criminal justice and/or juvenile authorities. Documentation of discipline taken will be placed in the student's file.

ATTENDANCE POLICY

ATTENDANCE

The primary responsibility for good attendance for students in grades K-6 rests with the parents. These parents are required under Section 20-5-103, MCA, to ensure that their children attend school regularly. The district recognizes the importance of monitoring the parental responsibility for their child's attendance. Furthermore, the district is committed to taking whatever action is necessary, up to and including legal actions, to ensure that students attend school regularly.

If a child is going to be absent from school, the parent/legal guardian is to contact the elementary office to confirm the child's whereabouts. **This can be done with a telephone call or a note sent to school with a sibling.** Notifying the school of an absence is mandatory by Montana law and is designed to protect your child. The Missing Children Bill states that parents should take the responsibility to inform the school when **their children will not be in attendance.** If parents do not notify the school by 9:30 a.m., the school must make an attempt to contact the parent, guardian, or legal custodian to make sure they are aware of the student's absence from school. Documentation will be kept of the (attempted) contacts, **and police informed if parents cannot be reached.** The school appreciates your phone calls to inform us that you know that your child is safe and that you are aware of his/her absence from school. We advise parents to please make medical or other appointments in the afternoon if possible in order to avoid your child missing the core subject instruction.

DEFINITIONS

Unexcused Absence: Absences which take place without the approval of the parent and/or principal.

Excused Absence: Generally, absences will be considered reasonable in cases of illness, bereavement, family vacations, or situations resulting from emergencies. Other absences will be considered unexcused.

Excessive Absences :Students who miss 5 days of school per trimester are considered excessively absent.

Tardiness: Any tardiness which extends beyond 10:00 a.m. or 2:00 p.m. will be considered a .5 absence.

REPORTING STUDENT ABSENCES

When a student must be absent for illness or other unforeseen emergencies, parents must inform the school of the reasons for the student's absence by 9:00 a.m. If the student is not present, and the parent has not notified the school of the absence, the school will attempt to call the parent the same day. The fact that the school will attempt to call the parent does not relieve the parent of the responsibility to call the school to report their child's absence. If a parent can not be reached the authorities will be contacted.

EXCUSED ABSENCES AND TARDIES

An absence is excused if a parent or legal guardian calls the attendance office no later than 24 hours following the absence, or if a note is presented to the attendance office personnel the school day following the absence. In cases where doubt occurs concerning the validity of an excuse, the administration may require verification. In the event the principal determines an absence or tardiness is unnecessary, the absence will be considered unexcused. The administrator may request that parents communicate directly to him/her regarding the reason for the absence or tardiness. The school secretary will maintain a record of the nature of student absences for school use purposes. A permanent record will also be maintained. It will include a record of the student's absences and tardiness.

ABSENCE/STUDENT PERFORMANCE

Once the teacher observes that the student's absences or tardiness are having an adverse effect on the student's progress, he/she will make parental contact to express concern and to explain the problem. If the absences have been unavoidable because of illness, bereavement or other reasons, the teacher will request a meeting to develop a plan so that the absenteeism has minimal effect on the student's academic success. In the event that reasons for absences have been questionable, the teacher will explain that the student will not get credit for work missed during those unexcused absences. Additionally, the teacher will not be required to provide make-up work. Absences and excessive tardiness may be a significant factor in decision of retention.

UNEXCUSED ABSENCE

Any absence not covered under the excused absence guidelines noted above will be considered unexcused, except an exempted absence. Students may receive partial or no credit for work missed during unexcused absences or out-of-school suspensions. Parental notification regarding unexcused absences is an essential element of this policy. Parents and school personnel will work together to offer appropriate assistance to students with attendance problems. Every effort will be made to notify parents of unexcused absences, so they may initiate corrective measures in the home. The school may assign detention, Saturday School detention, or suspension for unexcused absences.

EXEMPTED ABSENCE

In order for an absence to be exempted, it must meet one of the following criteria:

A. School Approved Activity

1. Any school activity which has been prearranged and approved by the building principal or his/her designee is considered a "student activity absence" and is exempt.
2. A community athletic team that competes against similar teams in other communities will be considered an exempt activity.

B. Medical Exemptions

1. A student who has a chronic illness or a serious medical condition may qualify for an exemption if he/she submits a statement signed by a physician, or other health care provider licensed in the State of Montana.
2. When exemptions are granted for medical reasons, the principal or designee may establish conditions for completion of the class(es).
