

Longhorn Athletes and Parents/Guardians –

MHSA has rolled out an online platform to track your athlete's eligibility requirements and medical information. The app is DragonFly MAX. You can sign up on your computer, or get the app from the App Store or Google Play.

All requirements will be completed online through the DragonFly app.

Please *do not* turn paperwork into your coaches or into the office. If you have a problem submitting documents online, please contact Nathan Dunham at [ndunham@fortbenton.k12.mt.us](mailto:ndunham@fortbenton.k12.mt.us) or Christy Byle at [cbyle@fortbenton.k12.mt.us](mailto:cbyle@fortbenton.k12.mt.us)

### **Eligibility Requirements:**

Purchase an **Activity Card** – upload a picture of your student's card - cards are available to purchase at the Business Office during regular office hours - \$25 per student card.

**Concussion Baseline Assessment** – this is an online test through ImPACT Testing. A link will be sent out to all 5th - 12th grade students to their school email account once they sign up for a team through DragonFly. Use the link to access the assessment. Submit the Certificate of Completion once you finish the assessment. You can choose to take a photo of it, or download the document and upload it into DragonFly.

**Student-Athlete & Parent/Legal Guardian Concussion Statement** – complete the electronic copy in the DragonFly App or upload a photo of the paper copy.

**Confidential Athletic Pre-Participation Physical Examination** (medical history) – complete the electronic copy or upload a photo of the paper copy.

**Provider's Physical Examination Form** (sports physical) – upload a photo of the paper copy that the doctor completes at the time of the exam. Sports physicals are required to be for the current year. They are considered out of date prior to May 1st.
